Featured Communication ToolsPage 2Featured Communication Tools In order to continue enjoying our site, we ask that you confirm your identity as a human. Thank you very much for your cooperation. In his acclaimed book, How to Win Friends and Influence People, Dale Carnegie (2019, p. 32) hints at a key strategy involved in effective communication that involves focusing on others and their motivations: ¢ÃÂÂInstead of condemning people, let¢ÃÂÂs try to understand them. Let¢ÃÂÂs try to figure out why they do what they do. That¢ÃÂÂs a lot more profitable and intriguing than criticism and it breeds sympathy, tolerance and kindness.¢ÃÂÂ But how do we put this strategy into action? In this post, we¢ÃÂÂll give you the tools to be a strategic and effective communicator, no matter your context, by walking you through a range of worksheets, digital activities, and resources to discover better communication. Before you continue, we thought you might like to download our three Positive Communication Exercises (PDF) for free. These science-based tools will help you and those you work with build better social skills and better connect with others. How to Improve Communication Skills Whether you¢ÃÂÂre delivering a presentation to a room full of conference attendees or hashing out a disagreement with your partner, many of the skills you need to achieve your goals in these different scenarios will be the same. To improve your communication techniques, scholars recommend training in the following skills. Perspective taking Defined as a cognitive attempt to consider another¢ÃÂÂs viewpoint (Longmire & Harrison, 2018), perspective taking enables us to communicate in a way that is likely to resonate with others in the way we intended. Perspective taking is often referred to as putting yourself in another¢ÃÂÂs shoes. For instance, when preparing a presentation, we can take the perspective of our audience by considering their background knowledge on ♪♪ ♪♪ ♪♪
